Dear Friends:

Welcome to the Capitol Women's Challenge Polo Match Benefit. I regret that I could not be with you all today, but I am sure that today's event will be memorable for each of you.

I strongly support efforts to respond to the devastating effects of cancer on our nation. During my time in the Senate, I have backed numerous programs aimed at expanding awareness and treatment for breast cancer patients. I will continue to work aggressively to ensure that Congress supports breast cancer research, prevention, and education.

I wish to thank the Tigerlily Foundation and RGI Events for their hard work on this event, and Capitol Polo Club for hosting the Capitol Women's Challenge. Your efforts are a testament to the American spirit of community service, and I applaud your dedication to this urgent cause.

Sincerely,
