

RACE ALLIANCE NATIONAL CONVENING SERIES

CONVENING #3

RECOMMENDATIONS + IMPLEMENTATION

Rallying Around Community. Building Equity. Driving Change.

The RACE Alliance National Convening Series brings together survivor leaders and cross-sector partners to transform lived experience into actionable recommendations and meaningful systems change.

Convening #3 marks the next step in that journey — bringing community voices and cross-sector leaders together to move from recommendations to implementation.

WHAT TO EXPECT

Together, we will:

HEAR

survivor voices and
community priorities.

EXPLORE

the recommendations emerging
from the RACE Alliance process.

COLLABORATE

across sectors to identify
opportunities for implementation.

COMMIT

to meaningful, measurable action
that advances breast cancer equity.

FROM SURVIVOR VOICE TO SYSTEMS CHANGE

The RACE Alliance is a survivor-led national movement designed to transform lived experience into coordinated action — bridging community, advocacy, research, healthcare, policy, and systems change.

This is more than a convening. It is a call to action.
